NEW LIMITS OF TASTE

About us

Magenta has been synonymous in UAE and in Middle East food segment with consistent performances and quality of service. A family of well managed professional and skilled work force since 1993, we take pride in our work and provide top quality food products from its own manufacturing facility in Dubai, Africa, Indonesia, India and also from carefully chosen approved suppliers.

With years of experience and expertise we are well established in the GCC and international markets with branches and distribution set ups. The distribution network is supported with cold storages and warehouses spanning over 1000 MT and a fleet of temperature controlled vehicles.

For almost over 15 years Magenta has been servicing the food industry with an enormous range of competitively priced products and provides meticulous attention to customer service and quality, making Magenta a trusted name in the food segment in the GCC and international markets.

Facilities and production

With meticulous attention to food safety we adhere to strict quality control measures and have incorporated EU, HACCP & US Army certifications and proud to announce that we are a corporate member of the Emirates Culinary Guild.

The flexibility to stand up to any customer demands from small to larger volumes and custom made products are specialties of Magenta. We service the food industry with almost all kinds of fresh and frozen seafood in conventional as well as value added forms.

As an ongoing expansion plan Magenta is adding on new state of the art facilities to keep up with pace.
